

# HOT LUNCH VOLUNTEERS

## For Parents of PreK-6<sup>th</sup> Grade

Scheduled to start Wednesday September 19, 2018

**This program provides students & staff hot lunches every Wednesday. Cost, to you, remains as low as possible.** Any profits from Hot Lunch are used for special events scheduled by PTO or kitchen improvements.

### Here's the scoop:

1. Each Wednesday we will need at 3 workers to prepare the meal and serve it to the students. Elaine Flaherty will be helping with initial food preparation and will leave directions for the workers on what needs to be completed. After serving the two lunch shifts, 11:00-11:30 for PreK4-2<sup>nd</sup> Grade and 11:30-12:00 for Grades 3-6, the workers will clean up the kitchen and then you are done!
2. Volunteer workers will be given safety tips and standards for working in the kitchen.
3. We will try but, most likely, will not be able to make up missed lunch days. Example: snow day on Wed; will not be rescheduled for the next school day (Thursday). Too difficult to find available staffing last minute.

## **We cannot offer this program without your support and volunteerism.**

At least 3 cooks/servers are necessary on each Wednesday in order to provide these meals. Spur of the moment or extra helpers are ALWAYS welcome.

Expect approx. 3 hours (9:30am – 12:30pm) to cook, serve, and cleanup.

A minimum of 12-15 volunteers are needed throughout the school year.

Special requests (such as the 1st Wednesday of the month, every other month, etc.) can be accommodated.

You must be CASE certified to volunteer- CASE paperwork is enclosed in the August Packet

Please return the slip if you or a family member (Grandma, Grandpa, Aunt, Uncle, etc.) are interested.

It is fun for the kids, they look forward to Wednesdays, and it is rewarding to spend time with your child (ren).
