

PIZZA LUNCH VOLUNTEERING PREK4 -6th

Fridays, the entire school PreK4(all day)-Grade 6 is given the opportunity to enjoy a pizza lunch. You may order your Pizza Lunches on-line at <http://rochester.mystudentsprogress.com>. You will be billed for the lunches through FACTS in your incidentals account – billed separately from your tuition payment. The profits from this sale go into a Whale Watch fund to lower the cost of the 5th and 6th Grade Boston Trip which we will have in June 2020.

Three students from 5th and 4th grade will set-up, serve, and clean up weekly. This is where you come in. **One adult is needed each Friday to guide and supervise the student workers, prepare the fruit offering and to pick up the pizzas.** The time commitment is from about 10:00am – 12:15pm. Although we would like to have the 4th and 5^h grade families' parents help out as it benefits their trip—ANYONE is WELCOME to volunteer.

This is an easy, fun way to help out, as well as a great chance to teach the students. If this is something you might be interested in, please fill out the form below.

Obviously, the more volunteers we have, the fewer Fridays you would be asked to work. PLEASE note dates we will serve on THURSDAYS. I'd be happy to work around your schedule...every 3rd Friday, every other month, spring only, Thursday only, etc. Take a vacation day from work to spend it with your kids. Grandparents or aunts/uncles are welcome, etc. All volunteers must complete the CASE volunteer training on-line—see information in the August Packet.

Thanks for considering this chance to help out and raise money for our students Whale Watch Adventure! Questions? Please give a call to Allison Hayes @ 303-9243 or email afhaves@rochester.rr.com.

PLEASE RETURN FORM BY FRIDAY SEPTEMBER 7th, 2018

(Pizza lunches will start Friday September 21st)

Yes, I CAN help out with pizza lunches on Fridays.
